RIDE SHARE

Share the Ride NC uses schedules, home addresses and work addresses to match individuals with similar commutes and schedules. Also convenient to all three buildings are 25 reserved priority car pool and ride share parking spaces. These spaces will be clearly marked.

BIKE & PEDESTRIAN STATIONS

Walk or bike to work! Our campus is home to several sheltered bike and pedestrian stations. These stations provide maps showing the area's bike and greenway systems which can also be found at southpointprofessionalcenter.com.

Southpoint Professional Center is hoping to add electric car charging stations in the parking deck on campus.

EMERGENCY & GUARANTEED RIDE HOME

Emergency Ride Home is available when:

- You or an immediate family member gets sick or has a severe crisis
- Your carpool driver has to unexpectedly leave early or stay late
- You must work unscheduled overtime

Southpoint Professional Center has a designated Emergency Ride Home parking space for those who need vehicle access to make unexpected trips home for an emergency.

SHOWERS, LOCKERS & CHANGING FACILITIES

Biking, running or walking to work can work up a sweat. Southpoint Professional Center has showers, lockers and changing areas for anyone who enjoys a lunch time workout, bikes, walks or runs to work.

BIKE RACKS & BENCHES

Take a load off and feel confident knowing your bike is secure during your work day. Throughout our campus we have provided bike racks and benches for our hard working commuters.
